

planning center Giving

Online Giving will now be available for COSC congregants. Giving through Planning Center Church Services will accept ACH bank transfers & debit cards, credit cards will not be accepted.

FEES

There are fees associated with any transaction made through a third party company, which COSC is responsible to pay. As such, we prefer any member already giving through automatic bill pay to continue tithing in that way. Given the fees noted below for online transactions, the **best option for online giving is through ACH bank transfer.**

ACH BANK TRANSFERS: \$0.25 per transaction regardless of amount
DEBIT CARD: 2.3% of amount, plus \$0.30 per transaction

ADVANTAGES

Online Access: All tithing members of the congregation will have online access to their giving reports and donation receipts.

Special Offerings: We see this form of giving especially helpful for Sundays in which we have special offerings for missions or building needs for immediate giving options.
